

Investment Product Manager Cover Letter

12311 Schoen Trail North Karissa, OH 93034

Dear Marion Reinger,

In response to your job posting for investment product manager, I am including this letter and my resume for your review.

In the previous role, I was responsible for analytical and research support to the senior advisors within the investment advisor practice.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with "Agile" or "SCRUM" development process
- Technical software experience or Design / User Experience background
- Passion for the Investment Process, Security Analysis, M&A and the capital markets
- Effective communicator, comfortable interacting with people at all levels and presenting to clients and management
- Organized, conscientious and strive for an error-free performance
- Knowledge in Agile project management & implementation
- Knowledge in investment products including but not limited to Equities, FX and Unit Trusts
- Knowledge in Internet and Mobile technology preferred

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Gray King
