IT Audit Cover Letter

475 Glover UnionNew Edison, NC 90250-5530

Dear Dallas Nikolaus,

Please consider me for the IT audit opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for recommendations to the Audit Manager and on-shore Audit team regarding audit process enhancements and implement audit process enhancements when approved.

My experience is an excellent fit for the list of requirements in this job:

- Designations such as CISA, CIA, CPA, CISM
- Proficient understanding of General IT and application controls, IT operations, enterprise security, IT architecture, governance, network infrastructure, database platforms, operating systems, service management, Sarbanes-Oxley, COBIT principles and system development life-cycle methodology (advanced level)
- Proficiency in Microsoft Office Suite (advanced level)
- Knowledgeable in issue management (intermediate level)
- CPA, CIA, CISA or CISSP preferred
- Extensive knowledge of the company and well-developed analysis and facilitation skills
- Evaluates recommendations based on audit findings and monitors the follow-up process to assess the adequacy of actions taken by management in response to audit findings
- Establish credibility and trust with business and IT organization

Thank you for taking your time to review my application.

Sincerely,

Indigo O'Conner
