IT Audit Cover Letter

1838 Logan GlenPort Shamikatown, SD 10593

Dear Onyx Johnson,

I submit this application to express my sincere interest in the IT audit position.

In the previous role, I was responsible for backup stewardship over funds budgeted for Internal Audit by monitoring and approving expenditure transactions for the co-sourced IT Audit vendor.

My experience is an excellent fit for the list of requirements in this job:

- Experience in industry auditing or accounting, and in supervising and conducting audits
- CISA or CFE certifications preferred
- Extensive knowledge of and skill in applying internal auditing and accounting principles and practices, and management principles and preferred business practices
- Certified Business Continuity Professional (CBCP) or Certified Business Continuity Auditor (CBCA)
- Working knowledge of industry standards such as NIST, ISO, IEEE
- Experience in conducting business resiliency audits
- Certifications – Master Business Continuity Professional (MBCP), Certified Business Continuity Lead Auditor (CBCLA)
- IT audit experience, preferably with a complex Fortune 500 or Big 4 firm to include current reviews (e.g., SOX 404 evaluation and testing, PCI) and future

I really appreciate you taking the time to review my application for the position of IT audit.

Sincerely,

Zion Trantow
