

# IT Network Cover Letter

27189 Ankunding LaneCassandramouth, UT 64573-0982

**Dear Lennox D'Amore,**

I am excited to be applying for the position of IT network. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for network services, including: firewalls, DNS, DHCP, web security, Radius, and VPN.

Please consider my qualifications and experience:

- Hands on experience with configuration of cloud infrastructures
- Advanced knowledge of layer 7 Firewalls
- Strong knowledge in routing protocols to include EIGRP, OSPF, RIPv2, & BGP
- General understanding of VoIP equipment and operation, voice and data networks
- Solid background in \*NIX operating systems (Linux, Solaris)
- Strong understanding of endpoint authentication systems for wireless (WPA2, PKI)
- Exposure to Networking in the Cloud Azure / AWS
- BT Cloud Contact and Enghouse CosmoCom experience

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Zion Mosciski
