

IT Risk & Compliance Cover Letter

26791 Danille Islands South Odellburgh, TX 58599

Dear Stevie Legros,

I submit this application to express my sincere interest in the IT risk & compliance position.

In the previous role, I was responsible for assessment, monitoring and coordination support for Policies and Controls related risk activities for the entire BHE IT organization.

Please consider my experience and qualifications for this position:

- Preferred certification in industry recognized security certifications, such as CISSP
- Mid-large size global manufacturing or consumer products company experience, preferred
- Experience in eDiscovery, SIEM and IDS/IPS
- Previous IT audit experience, preferred
- Experience with external audit risk and control, ITIL, COBIT
- Use rigorous logic and methods and provide honest analysis to solve difficult problems with effective solutions
- Solid economic knowledge
- Fluent in English (German, Spanish, French would be advantageous)

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Dakota Fisher
