

IT Risk & Compliance Cover Letter

1646 Stehr FallWest Cedric, VA 09655

Dear Indigo Prohaska,

Please consider me for the IT risk & compliance opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for support for various audits, compliance activities and ensure IT governance, IT security, and Corporate Policies are followed.

Please consider my experience and qualifications for this position:

- Proficient at coordinating multiple endeavors and request streams
- Excellent interpersonal skills including consistent service orientation and delivery for internal and external customers
- Proficient at presenting concepts internally and externally
- Experience delegating tasks and providing work flow guidance
- Strong understanding of audit, security, and IT standards, CoBit, NIST, ISO27001, ISO27002, ITIL, SAN, PMBoK, etc
- Strong understanding of Information Technology architectures, infrastructure components, and networks
- Industry-recognized certifications (such as CISA, CISSP, CEH) will be an added advantage
- Preferred experience with Oracle AACG or similar access tools

Thank you for your time and consideration.

Sincerely,

Finley Spinka
