

IT Strategy Cover Letter

39965 Hill Village Mayertfurt, WY 14900-2296

Dear Emerson O'Connell,

I would like to submit my application for the IT strategy opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for innovative ideas with our clients' to explore disruptive strategies that create business value.

Please consider my experience and qualifications for this position:

- A strong track record of translating business requirements into technology solutions
- Proven experience defining and communicating directions, especially to executives and business stakeholders
- An excellent understanding of the EA frameworks
- Experience in creating business cases and developing roadmaps
- Written and verbal communication skills in both Swedish and English
- MBA from top programme – preferred
- Thorough understanding of health IT standards and reference models for exchanging data
- Proven track record of holding and achieving sales targets highly beneficial

Thank you for your time and consideration.

Sincerely,

Rory Haag
