

IT Strategy Cover Letter

5920 Hoppe SpringVictoriashire, AL 72533-8280

Dear Brooklyn Ruecker,

Please consider me for the IT strategy opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for vision & strategy, enables innovation and seeks to leverage IT trends that can create business value consistent with the company's requirements and expectations.

Please consider my qualifications and experience:

- Healthcare experience necessary, preferably in a payer organization
- Demonstrate experience developing analysis, presentations, support material and facilitation skills
- Proficient in of Microsoft Office Applications especially Word, PowerPoint, Visio and Excel
- Experience with enterprise level IT agile delivery/transformations
- Familiarity of industry practices, techniques, and standards
- Familiarity of concepts and principles
- Some use and application of standard principles, theories, concepts, and techniques
- Driving the Information Technology strategic planning process while providing thought leadership on strategic programs, innovation and transformative ideas across the global IT teams

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Emerson Lueilwitz
