

# IT Strategy Cover Letter

746 Satterfield HarborsPort Jonathan, UT 35959

**Dear Emerson Emmerich,**

Please consider me for the IT strategy opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for visibility and transparency into status and progress of work efforts across the value stream.

Please consider my qualifications and experience:

- Relationship builder at all levels of the organization with an exemplary track record
- Superb organizational and situational awareness
- Comfortable in presence of and/or presenting to executives
- Anticipate and resolves issues
- Able to deal with ambiguity and fast-paced environment
- Handle a wide range of accountabilities and deliver with consistent excellence
- Experience working in a mixed methodology setting (waterfall and agile)
- Hands on agile coaching experience in a large technology organization with practical experience of agile and organizational change management

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Frankie Glover
