

Junior Developer Cover Letter

3803 Ian PlainsErdmanhaven, CT 87671-9898

Dear Stevie Vandervort,

I would like to submit my application for the junior developer opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for software design and development skills in an agile and DevOps environment.

Please consider my qualifications and experience:

- Experience documenting and eliciting requirements
- Experience doing black box system testing
- Experience managing SDLC documentation artifacts
- Self-motivated and upbeat
- Thirst to learn new technologies and ways of doing things
- Passion for delivering high-quality outcomes
- Attention to detail, while not losing site of the "bigger picture"
- Good knowledge of software development methodologies and techniques

Thank you for considering me to become a member of your team.

Sincerely,

Cameron Hagenes
