

# Junior System Administrator Cover Letter

882 Stokes HavenTreyville, IN 81983-7774

**Dear Casey Block,**

Please consider me for the junior system administrator opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for support of the Windows Server migrations from servers that are running Windows Server 2008, Windows Server 2008 R2, or the most recent version of Windows Server OS.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Team player who is willing to share knowledge
- Experience of supporting critical production infrastructure
- Minimum of 0 - 2yrs of experience
- Have good
- Want to have fun
- Greet office visitors and escort them as needed for security purposes
- Manage visitor and general facility access to the office
- Coordinate OpenMarket vendors

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Rowan Rempel
