

# Junior System Administrator Cover Letter

553 Mariah IslandsPort Galina, OR 66483-8757

**Dear Jordan Harber,**

I am excited to be applying for the position of junior system administrator. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for system administration, new hardware, OS installations, and management support services for Windows Servers.

My experience is an excellent fit for the list of requirements in this job:

- Innovative thinking with a tenacity for success
- Strategy and Creativity
- Business and Commercial
- Efficient, team-oriented and customer-focused work habits
- Performs duties involved in the development, testing, implementation and maintenance of operating system and related software
- Some experience with Linux (Redhat)
- Some scripting experience in Bash or Python
- Ansible/Chef/Puppet for auto-provisioning

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Tyler Bogan
