

# Junior System Administrator Cover Letter

7986 Claude Landing Funkbury, IL 37120-3184

**Dear Corey Kiehn,**

In response to your job posting for junior system administrator, I am including this letter and my resume for your review.

In the previous role, I was responsible for primary system administration, configuration, and troubleshooting of the Windows servers environment and performance issues.

Please consider my experience and qualifications for this position:

- VSphere/Vcenter or Openstack
- Working knowledge of Git for version control
- Cloud solutions (Azure)
- RHEL Certified Systems Engineer or equivalent certification - nice to have
- Background in VMWare, Solaris, HP-UX, EMC and NetApp storage products/tools
- Knowledge in LVM, DNS, DHCP, NFS, SAP Systems
- Available for a 24/7 schedule (including night and weekend shifts)
- Install and make basic configuration on Linux and Windows operating systems

**Thank you for your time and consideration.**

Sincerely,

Robin McDermott
