

# Lathe Operator Cover Letter

8174 Colin RoadMaggiomouth, IL 49190

**Dear Ari Schaden,**

I would like to submit my application for the lathe operator opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for support needed to ensure that the Company has the proper process, controls, administrative and reporting procedures continuously optimize daily shipments.

Please consider my qualifications and experience:

- Proficient at using precision measuring tools such as micrometers and dial indicators
- Certification from a technical school preferred
- Will need to train on 1st Shift (5 a.m
- Experience in working on manual lathe machines and other mechanical machineries to repair mechanical equipment in a relevant industry
- Proficient in the use of calipers, micrometers measurement and gauging equipment
- Prefer experience with lathe machining operations
- At least six months of experience deburring small parts
- In accordance with strict Federal Aviation Administration (F.A.A.) regulations regarding Safety Sensitive Work (S.S.W.), employee enrollment & participation in the company's "F.A.A

**I really appreciate you taking the time to review my application for the position of lathe operator.**

Sincerely,

Cameron Bogisich
