

Lathe Operator Cover Letter

417 Mickey LodgeWaldoville, OK 00409

Dear Marion Jacobs,

I submit this application to express my sincere interest in the lathe operator position.

In my previous role, I was responsible for cNC fabrication of high quality, tight tolerance (+/- 2 microns) products and performs work to meet established goals for: compliance to all safety requirements, product quality, production efficiency, and on time delivery.

Please consider my qualifications and experience:

- Knowledge of independent programming of Heidenhain controllers
- Knowledge of metrological field reliable reading of production drawings
- Pronounced craftsmanship and technical understanding
- Mazatrol conversational programming
- Tsugami swiss machines
- Mill / Turn
- MasterCam or Partmaker
- Experience working Lathe Machines

I really appreciate you taking the time to review my application for the position of lathe operator.

Sincerely,

Haven Zulauf
