

Layout Artist Cover Letter

584 Morar Street Lake Dayle, OK 66892-5944

Dear Stevie Ritchie,

I would like to submit my application for the layout artist opening. Please accept this letter and the attached resume.

Previously, I was responsible for multiple iterations of a shot/sequence to assist Directors in determining the best layout and camera movement that will meet the shot's objectives.

Please consider my qualifications and experience:

- Experience in MEL or Python scripting is a bonus
- A recognized qualification in film, animation or fine arts would be helpful but is not essential
- Experience in designing - catalogs, magazines, direct mail, signage, retail inserts
- Proficiency in utilizing InDesign and the rest of the Adobe Creative Software Suite (Illustrator®, Photoshop®, Acrobat® and Bridge)
- Retouching experience utilizing Adobe Photoshop
- Proficiency 3D Equalizer and Maya
- Knowledge of Nuke
- Solid understanding of cinematography and camera geometry

Thank you for your time and consideration.

Sincerely,

Brooklyn Torphy
