

Layout Artist Cover Letter

1566 Leon PineEnriquetafurt, IA 94048-8374

Dear Robin Schoen,

I am excited to be applying for the position of layout artist. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for creativity and create 2d assets- sketch, story board, text cards, overlays, frames - for marketing trailers, community videos and streaming.

Please consider my experience and qualifications for this position:

- Enthusiasm, positivity, initiative and talent, coupled with an understanding for taking direction
- Previous experience in Stereo is a bonus
- Working knowledge and understanding of 3D software packages used in digital film production, in particular XSI and Maya
- Working knowledge of camera animation, scene set-up and set dressing
- Recognized post-secondary qualification in animation, film or related field is preferable
- A demonstrated passion in Camera amination, picture cinematography, cinematographic history, staging and directing
- High level of working knowledge and understanding of 3D software packages used in digital film production, in particular XSI, Maya and compositing software
- Problem solve and balance quick turnaround with long term quality

I really appreciate you taking the time to review my application for the position of layout artist.

Sincerely,

Marion Larson
