

Layout Artist Cover Letter

37666 Yvette Stream West Carol, MT 08728

Dear Armani Hackett,

I submit this application to express my sincere interest in the layout artist position.

Previously, I was responsible for the best possible service to artists and rights holders with regards to artist marketing, business intelligence and revenue maximization.

Please consider my qualifications and experience:

- Traditional knowledge of physical lensing, rigs and DOP skills as applied to shot creation
- Experience with spline and key frame animation of cameras in 3D space
- Work with team members and departments to address notes
- Work to ensure internal and external deadlines and deliveries are met with assigned hours
- Senior level experience in Maya
- Extensive experience with Motion Builder
- Extensive Experience using Mari and Zbrush
- Experience creating slap comps in order to review work

I really appreciate you taking the time to review my application for the position of layout artist.

Sincerely,

Emerson Beier
