

Lead Administrator Cover Letter

99403 Esteban Divide Hillfort, MO 32850-8079

Dear Stevie Bruen,

I am excited to be applying for the position of lead administrator. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for support, integration, operation, and maintenance of various Remedy system management products, services and capabilities on both the unclassified and classified network.

My experience is an excellent fit for the list of requirements in this job:

- Systems development with either systems administration or application integration background
- LDAP, TAM, ISAM Experience
- Preference will be given to individuals who have succeeded in overcoming the disadvantages and circumstances like those of the targeted population
- Experience with FAR, HHSARS, and equivalent government regulations
- Experience with CMS preferred
- Possession of excellent time management and organizational skills preferred
- Possession of excellent analytical skills, including researching and solving problems and mitigating risks
- Solid analytical math skills capable of independently performing cost/price analysis in order to establish price reasonableness

Thank you for taking your time to review my application.

Sincerely,

Armani Walker
