Lead Administrator Cover Letter

5733 Ruecker FerryPort Minh, VT 88018

Dear Blake Jaskolski,

I submit this application to express my sincere interest in the lead administrator position.

Previously, I was responsible for recommendations related to security controls and related products to customers; Reviews vendor products and native Azure security capabilities and makes adoption recommendations as appropriate.

Please consider my qualifications and experience:

- Experience with planning, designing and configuring User Profiles & Preferences, Static & Dynamic Roles, Permission Lists, Query Security, Process Profiles and Definition Security
- Extensive knowledge of PeopleSoft integration broker experience
- Advanced level of experience in PeopleSoft Interaction Hub (Portal) 9.1 and 9.2
- Knowledge of third party change management tool (STAT)
- Familiarity with federated authentication, SAML and LDAP
- Extensive PeopleSoft upgrade experience
- Solid understanding of segregation of duties (SoD) and internal control principles within PeopleSoft
- Working knowledge of all aspects of the security audit process

Thank you for taking your time to review my application.

Sincerely,

Campbell Runte
