

Lead Civil Engineer Cover Letter

6779 Haley MeadowBradleyhaven, MI 76663-4890

Dear Story Ortiz,

Please consider me for the lead civil engineer opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for civil engineering and design services on projects for public and private clients in site development, dams, landfills, mining projects, and power projects.

Please consider my qualifications and experience:

- Professional registration with the Engineering Council of South Africa (ECSA)
- Membership in external technical society
- Previous Petrochemical experience
- Previous EPCm contractor experience
- Structural steel and reinforced concrete design experience
- Exposure to DMRB and other US codes and international highway standards
- Other than InRoads/MXRoads, proficiency in highway engineering softwares and other Bentley products along with Microstation is essential
- Sterling, VA 1 vacancy

Thank you for considering me to become a member of your team.

Sincerely,

River Renner
