

Lead Estimator Cover Letter

61946 Waelchi PortNorth Willianside, IL 61844-3785

Dear Marion Howell,

Please consider me for the lead estimator opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for direction for on-site contract administration and coordination of system-wide transmission line and substation construction projects for Sr.

Please consider my experience and qualifications for this position:

- Computes profit percentages and adds to cost estimates
- Maintain project files and program documentation
- Compiles information to enable Accounting to bill customers
- Experience with Database programs (Microsoft Access)
- Detail oriented with and attitude for continuous improvement
- Knowledge of different manufacturing processes (Injection Molding, Steel/Aluminum stamping, Die Casting, etc...)
- Understanding of project risks and associated analysis to allow for contingency and risk to be
- Project Accounting System Knowledge (Power Plan – FSSP)

I really appreciate you taking the time to review my application for the position of lead estimator.

Sincerely,

Ryan Schmidt
