

Lead Estimator Cover Letter

9935 Dulcie ClubEast Kathernstad, OR 53672

Dear Onyx Nolan,

I am excited to be applying for the position of lead estimator. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for training and support to end user customers in other Bechtel functions dependent on information systems activities.

Please consider my experience and qualifications for this position:

- Advanced skills in GSAP
- Advanced skills in standard petrochemical project, turnaround, and major maintenance estimating tools
- Understands and utilizes standard auditing requirements
- Extensive knowledge of various mechanical skills (metal trades, electrical, rotating equipment, instrumentation, X-ray techniques and interpretation)
- Proficient in reading mechanical drawings, blueprints, isometrics, P&IDs
- Proficient in project planning and estimating principles
- Familiar with MOC process and PSSR (pre-startup safety reviews) process
- Able to effectively work and communicate in English

Thank you for taking your time to review my application.

Sincerely,

Denver Littel
