

Lead RN Cover Letter

707 McDermott Station
Jacquieshire, MT 88913

Dear Parker Koss,

I would like to submit my application for the lead RN opening. Please accept this letter and the attached resume.

Previously, I was responsible for strong clinical competencies and skills (Injections, vitals).

My experience is an excellent fit for the list of requirements in this job:

- Previous experience supporting, training and mentoring others
- Supervisory and coordination skills
- Computer literacy (Microsoft Office, Practice Management and Electronic Health Record System)
- Application of appropriate QI tools and processes
- Relevant experience with AAAHC, TDSHS and related State and Federal compliance and reporting
- Relevant experience in continuous quality improvement methodologies and outcomes reporting highly preferred
- Knowledge of fair, firm and consistent therapeutic milieu management techniques
- Effective client relations skills

Thank you for considering me to become a member of your team.

Sincerely,

Sam Rice
