

# Lead SAP Cover Letter

53416 Darell PineNorth Isidro, WI 53784-2585

**Dear Landry Herman,**

Please consider me for the lead SAP opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for operational and project support in the user access framework across all Hatch SAP landscapes including add-on applications such as Business Objects, Business Warehouse, ECC, Fiori, SuccessFactors, interfaces and Solution Manager.

Please consider my experience and qualifications for this position:

- Knowledge in German is beneficial
- Facilitates requirements gathering
- Experience of Presales or sales will be preferable
- A track record of success working on large, complex SAP Projects including CLM, SRM, MM, RLM
- Minimum two end-to-end implementations of GRC
- Experience with PCI compliance and SOX, preferred
- Experience with ITIL, COBIT, ISO 27001 and other IT and security standards, preferred
- Experience with SAP HANA and FIORI, preferred

**I really appreciate you taking the time to review my application for the position of lead SAP.**

Sincerely,

Shiloh Swaniawski
