**Dear Lennox Mohr,**

In response to your job posting for lead SAP, I am including this letter and my resume for your review.

In the previous role, I was responsible for 3rd level technical support for SAP applications which may include utilizing ABAP development skills for critical defect resolutions.

Please consider my experience and qualifications for this position:

- Define, create, and manage Privileges/roles/authorizations for enterprise BI
- Writes documentation and procedures according to predefined standards
- Understanding Authentication and Single Sign-On (encryption options and use cases)
- Authorization Transports, HANA License Management & Password Policy
- Understand BW Security Models in SAP HANA & BW Analytics Authorization Assistant
- HANA Reporting perspective for HANA models, implement Analytical/System and Object Privileges for users
- Investigates and resolves SAP authorization issues and Single Sign On Issues and other security problems
- Provides Impact Analysis and propose Solutions for Projects related SAP HANA, applications and User Access Management

**Thank you for taking your time to review my application.**

Sincerely,

Azariah McLaughlin
