

# Lead SAP Cover Letter

20272 Travis MissionLashaundaport, ME 95608-4917

**Dear Royal Willms,**

In response to your job posting for lead SAP, I am including this letter and my resume for your review.

In my previous role, I was responsible for optimization, enhancement and O&M support for ABAP applications which perform financial and business management functions on Client SAP (ECC, Solution Manager, etc.) instances and external systems.

Please consider my experience and qualifications for this position:

- Global Asset Services (GAS) PMO
- Enterprise Systems PMO
- Mobility Competency Centre Operations Lead
- Other GAS Leads
- Strong hands-on experience with the delivery of Custom Solution using SAP HANA (Native) and Data Services Platforms or hybrid BW scenarios including BPC and ECC, Solution Design, Development, Implementation and Production Support
- Implementation experience of SAP HANA , SAP Data Services and SAP BW powered by HANA
- Strong hands-on experience with SAP HANA data modeling using Calculation Views (Graphical and Scripted) and Virtual Data Models, HANA Data Provisioning and HANA security
- Strong hands-on experience with BW on HANA

**I really appreciate you taking the time to review my application for the position of lead SAP.**

Sincerely,

Frankie Swift
