

# Lead SAP Cover Letter

15144 Grady WellsLake Sachikomouth, MN 67526-9724

**Dear Quinn O'Kon,**

Please consider me for the lead SAP opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for process guidance to the projects/teams on SAP Transports and Tools including Solution Manager and Change Request Management (ChaRM).

My experience is an excellent fit for the list of requirements in this job:

- Familiar with SAP programs/transaction to create sales orders, purchase orders, transfer orders, deliveries and billing documents
- Working knowledge of SAP Job Creation and Selection transactions (SE36 & SE37)
- Working knowledge of SAP IMG and basic SAP configuration tasks
- Experience working on interface projects where data was transferred into or out of SAP using BAPIs, BDC Sessions, IDOCs or direct database to database methods
- General knowledge of computer network components (servers, routers, printers) and data communication methods
- Experience documenting and developing w/in a regulated industry
- Provide content leadership in SAP finance area
- Demonstrated proficiency in Finance/Accounting business processes, SAP solutions

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Alexis Gulgowski
