932 Soo PathNew Latashiaburgh, PA 80661-6852

**Dear Alexis Nolan,**

In response to your job posting for lead SAP, I am including this letter and my resume for your review.

In my previous role, I was responsible for leadership for SAP Solution Manager including Charm and Soldoc application support, solution documentation, template management, test management, change control management, applications operations including TECHMON, business process operations including BPMON, maintenance management and custom code management.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with SAP service order costing, including results analysis and settlement
- Experience with HR Mini-Master and integration with lean Organization Management concepts
- Experience integrating HR Mini-Master with external systems
- Experience with integration of HR Mini-Master with SAP service management
- Experience with SAP S/4 Hana highly preferred
- Working knowledge of Customer Relationship Management (CRM) systems with respect to integration with SAP
- Able to understand and communicate complex technical system solutions and concepts
- One full life cycle SAP implementation

**Thank you for taking your time to review my application.**

Sincerely,

Tatum Steuber
