

Lead Server Cover Letter

320 Leffler LightChimouth, TN 61647-8940

Dear Greer Purdy,

In response to your job posting for lead server, I am including this letter and my resume for your review.

In my previous role, I was responsible for accurate directions and information for guest inquires and is knowledgeable about all aspects of The Venetian | The Palazzo services, features, attractions, promotions and special events.

Please consider my qualifications and experience:

- VMware OS administration
- High experience in troubleshooting in server area
- Managing applications running on all these servers
- WEB filtering principles, managing applications in this area
- Backup systems (Avamar preferable)
- Understanding of ISO27k1 concepts and requirements
- Good understanding of ITIL services and processes
- Excellent communications skills and focus on customers

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Finley Schmidt
