

# Lead Server Cover Letter

8334 Jeffrey Garden South Jermaine, MA 94990

**Dear Spencer Larkin,**

I am excited to be applying for the position of lead server. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for oversight and direction for the C&Ws participation at industrial related industry events, client events, industrial conferences and the C&W Americas Symposium events.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- High energy level and can effectively work with various cross functional teams
- Security architectures/technologies
- Cloud solutions (IAAS, AAAS)
- Need to have leadership potential or previous leadership experience
- Experiences setting-up SQL Server in both HA and DR configurations
- Understanding of VM and cloud computing
- Understanding of Network concepts like TCP/IP, routing, load balancing, DNS
- Familiarity with SAN disk architecture and features

**Thank you for taking your time to review my application.**

Sincerely,

Finley Johnson
