Librarian Assistant Cover Letter

1477 Reilly OverpassKevinhaven, NH 21743
Dear Baylor Williamson,

I submit this application to express my sincere interest in the librarian assistant position.

In the previous role, I was responsible for quality control of cataloging, including making corrections to description, subject analysis, classification, and authority information ensuring that cataloging complies with required local and national standards.

My experience is an excellent fit for the list of requirements in this job:

- Demonstrated skills in User Experience Design
- Demonstrated experience with mobile platforms, applications, and design
- Demonstrated experience developing responsive web pages or applications
- Demonstrated experience with content management systems, relational databases, and web servers
- Skills or interest in photography
- Familiarity with a programming environment that includes languages such as ASP.NET, PHP, Python, or Ruby
- Professional experience with cataloging or metadata, with a significant track record in cataloging rare, antiquarian, or unique printed and manuscript material
- Experience cataloging a variety of bibliographical formats

Thank you for taking your time to review my application.

Sincerely,

Marion Nolan
