

Licensed Electrician Cover Letter

3306 Marcell Center Dooleymouth, KS 58186

Dear Emerson Daugherty,

In response to your job posting for licensed electrician, I am including this letter and my resume for your review.

Previously, I was responsible for technical expertise in the installation, acceptance testing, commissioning, pro-active maintenance, troubleshooting, and repair of unit equipment including:

Please consider my qualifications and experience:

- Previous Supervision/leadership roles are an asset
- Journeyman license to reciprocate
- Minnesota Electrical License
- Possess a current Iowa state Journeyman license Class A or B
- Knowledge of the National Electrical Code, AC and DC motor power and control methods, all facets of cabling and raceway systems, blueprint reading, mathematics, and preventive/predictive maintenance
- Capable of performing repetitious duties, including lifting, bending and standing for long periods of time
- Posses a New Jersey State Electrical License
- Training on cranes and proper selection of rigging equipment preferred

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Sutton Glover
