

Licensed Electrician Cover Letter

2437 Darell ForgeSpinkafurt, MA 50692-1322

Dear Baylor Wintheiser,

I am excited to be applying for the position of licensed electrician. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for expert feedback and technical guidance to shipyard planners and shipyard management in all areas of electrical repair and troubleshooting equipment generally found on FFG-7 and MHC 51 class of ships.*.

Please consider my experience and qualifications for this position:

- Valid/Active Electrician License
- Installation and or repair of electrical services for construction projects such as labs, power upgrades, electrical equipment upgrades, office spaces, parking lots, outdoor lighting others
- Housing provided
- Strong verbal and written communication skills (Solid)
- Requires high school diploma or GED, or equivalent knowledge gained in a combination of education and experience
- Electrical/ electronic installation & troubleshooting
- Ensuring environmental compliance & environmental reporting
- Mechanical troubleshooting & repair

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Armani Effertz
