Linux Admin Cover Letter

1053 Yahaira ManorsAldoland, RI 70840-1396

Dear Brooklyn Herman,

In response to your job posting for linux admin, I am including this letter and my resume for your review.

Previously, I was responsible for tier 3 support for Linux COE operating systems developed by the team for release to customer.

Please consider my qualifications and experience:

- Eligibility for a DOD security clearance
- Hardware experience - All makes and models of Dell and HP hardware
- Bachelors of Computer Science or Electrical Engineering, or higher
- General networking skills - IP network design, InfiniBand
- Documentation, Standard work, Process Improvements and Root Cause Corrective Action Skills
- Government Secured Clearance preferred
- Will help with the daily administration of Storage environment supporting the HPC clusters
- Familiarity with Platform LSF scheduler

Thank you for taking your time to review my application.

Sincerely,

Tatum Nolan
