Dear River Jacobi,

I would like to submit my application for the linux admin opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for strong technical knowledge of Linux operating systems and computer networking.

Please consider my qualifications and experience:

- Able to perform log searching for troubleshooting
- Understanding of IPTables
- Veritas Cluster Services
- Red Hat cluster
- Expert knowledge of infrastructure automation platforms
- In-depth knowledge of scripting languages
- CentOS/Redhat Linux system administration
- HPC platform or mainframe system administration

Thank you for your time and consideration.

Sincerely,

Marion Kunze
