

# Linux Administrator Cover Letter

417 Satterfield ClubPort Sydney, WV 47600-3282

**Dear Justice Breitenberg,**

I would like to submit my application for the linux administrator opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for linux and/or UNIX OS (Operating System) and Storage Administration and Engineering.

Please consider my experience and qualifications for this position:

- They're Infrastructure is implementing docker for deployment
- Standing up DM and Infrastructure within the cloud
- Create and configure file systems and file system attributes, such as permissions, access control lists, and network file systems
- Create and modify sudo definitions for consistency across the environment
- VMware-specific experience
- Craft tools in Python to interact with application APIs and generate reports
- Write Puppet modules and/or Ansible playbooks
- Administration of Satellite 6

**I really appreciate you taking the time to review my application for the position of linux administrator.**

Sincerely,

Stevie Kihn
