

Linux Administrator Cover Letter

1570 Meagan Highway New Ezekiel, TX 68662-4166

Dear Casey Lehner,

I would like to submit my application for the linux administrator opening. Please accept this letter and the attached resume.

Previously, I was responsible for linux and Windows system administration support to include application installation, support, testing, and troubleshooting.

Please consider my experience and qualifications for this position:

- Passionate about technology and enthusiastic about its role in creating business solutions
- Very good and applicable knowledge of Linux (minimum LPIC-1 level, better or comparable)
- Preferred knowledge in RedHat 5.x/6.x/7.x
- Good and applicable knowledge of SAMBA, NFS
- Good and applicable knowledge of scripting and AWK's
- Experience with patch management tools like Shavlik, WSUS, or vCenter Protect
- Familiar with Active Directory administration, structure, permissions, and best practices Mid-Level Experience with Windows server - building, deployment, troubleshooting
- Some experience with Windows Server - know basic commands and troubleshooting

I really appreciate you taking the time to review my application for the position of linux administrator.

Sincerely,

Drew Rosenbaum
