

# Linux Administrator Cover Letter

972 Gerlach Gateway Lubowitzland, NV 49324

**Dear Rory Shanahan,**

I am excited to be applying for the position of linux administrator. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for linux administration and installation support focusing on the design, implementation and maintenance of Linux services.

Please consider my experience and qualifications for this position:

- Configure RHEL for authentication via ActiveDirectory using sssd, winbind, and/or PowerBroker
- Red Hat virtualization
- Install / Upgrade Device Drivers
- Configure Device Drivers
- Update Unix Operating system
- Should know the concepts of networking like TCP / IP and Virtualization
- Added experience in Cluster, Suse, GPFS
- Perform Failover Testing

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Landry Nader
