

Loan Consultant Cover Letter

3677 Michal RadialNew Mikkichester, KS 37952

Dear Phoenix Dietrich,

I would like to submit my application for the loan consultant opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for testing resources, and implement new mortgage products, enhancements to existing mortgage products, and software changes implemented to improve overall operating efficiencies.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Strong knowledge of financial principles and issues related to the banking industry
- Proficient with Microsoft Office applications with expert knowledge of Excel
- Working knowledge of SQL using Cognos, SAS, or other report writing tools
- Credit industry experience in areas focused on Loan Servicing and/or Secondary Loan Trading
- Experience working with commercial lending and commercial lending servicing systems
- Experience working with Loan IQ
- Hands on experience with Finastra Fusion Loan IQ either in a Run-the-bank capacity or through an implementation/upgrade
- Previous or current inbound or outbound call center experience is strongly preferred

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Zion Spencer
