1741 Sun CreekNew Jeannine, WV 45392

Dear Emery Dibbert,

In response to your job posting for locker room attendant, I am including this letter and my resume for your review.

In my previous role, I was responsible for orientation tours, explaining the Club and Spa facility area and answers guests' questions.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Stock and store towels appropriately in locker bays, showers, sink areas
- Clean and polish both street and golf shoes
- Check and replace golf spikes at member's or guest's request
- Place small towels in bathroom as needed
- Maintain cleanliness and appearance of full Locker Room area
- Check vanity, clean towels, soap dispenser, and shampoo supplies several times a day
- Maintain an antique inventory of all supplies
- Issue locker keys, towels, and supplies to members

I really appreciate you taking the time to review my application for the position of locker room attendant.

Sincerely,

Indigo Dicki
