

LPN Nurse Cover Letter

140 Larry Heights
Port Antonia, MT 50203-6970

Dear Finley Sauer,

I submit this application to express my sincere interest in the LPN nurse position.

In my previous role, I was responsible for nursing assessment of health problems of patients to determine appropriate level of care needed.

Please consider my experience and qualifications for this position:

- Provides nursing care to residents according to physician orders and regulations
- Updates plan of care when needed
- Observes and documents observations and care given to residents
- Assures physicians are notified and orders are processed
- Handles linens properly and disposes of soiled linens, clothing or supplies in adherence to regulations and guidelines
- Uses standard precautions by using personal protective equipment and observes transmission guidelines, washes hands between resident cares
- Notifies family on condition changes
- Handles linens properly and disposes of soiled linens, clothing or supplies in adherence to regulations and guidelines
- Assist provider and other clinical staff with obtaining basic vital information preparing patient for examination, treatment and minor surgical procedures

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Riley Runolfsson
