

Machine Operator Shift Cover Letter

62488 Robel Bypass Fatima mouth, TN 07154

Dear Justice Wintheiser,

I would like to submit my application for the machine operator shift opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for guidance and instruction how to repair or maintain the operating condition of industrial production or processing CNC machining centers or equipment.

Please consider my qualifications and experience:

- Understand and is able to apply regulatory (QSR, ISO, GMP) requirements in everyday activities
- Proficient in reading and writing in English in order to understand equipment instructions and safety manuals and also to record all data associated with equipment operations
- OT is likely and offered on a voluntary basis
- Minimum 3 month customer service related experience preferred
- Minimum of 6 months experience in a similar operational role
- Can read fabrication blueprints/engineering drawings
- Stand, bend at the knees & waist on a continuous basis
- Able to follow directions and work independently

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Shae Frami
