

# Machine Operator Shift Cover Letter

5945 Lula Burg East Georgefort, NE 48793

**Dear Baylor Murazik,**

In response to your job posting for machine operator shift, I am including this letter and my resume for your review.

Previously, I was responsible for daily production support for repair, adjustment and refurbishment of tooling and equipment used in the welding department.

My experience is an excellent fit for the list of requirements in this job:

- Familiar with safety regulations as they pertain to the job
- Experience in extrusion
- Knowledge of machines in a manufacturing setting
- Conduct pre-employment screening and testing
- Needs to be physically fit to use a mallet to break objects and repeatedly lift 10lbs parts
- Needs to be able to read and interpret work instructions
- Able to learn to pay attention and follow directions
- Able to learn to fill out paperwork correctly

**Thank you for considering me to become a member of your team.**

Sincerely,

Max Stark
