

Machine Operator Shift Cover Letter

8085 Velva Roads Lake Nikki, UT 69864

Dear Dylan Maggio,

I would like to submit my application for the machine operator shift opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for training, coaching and mentoring fellow mechanics/technicians to include but not limited to packaging equipment, track & trace equipment, equipment theory of maintenance, proper troubleshoot techniques and best-practice repair procedures, etc.

My experience is an excellent fit for the list of requirements in this job:

- Cut cores as needed
- Assist Press Operators as needed
- Follow all company safety rules and procedures
- Experience with problem analysis and resolution and reporting and documentation skills
- Experience within an aerospace manufacturing environment preferred
- Familiarity with the use of measuring devices
- Use of hands for fine dexterity, light and strong grasping (5 hrs
- Experience operating punch presses, turret presses and/or press brake

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Drew Hackett
