

Machine Operators Cover Letter

955 Lorelee MountainClaudburgh, NJ 92991-9787

Dear Shae Armstrong,

I am excited to be applying for the position of machine operators. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for direct support and works cooperatively with production and sanitation associates and quality system related to provide effective maintenance support.

My experience is an excellent fit for the list of requirements in this job:

- Maintain equipment and machinery maintenance as assigned
- Experience operating CNC machines preferably lathes and grinding machines
- Strong math and blueprint reading skills
- Department requires all employees to rotate from 1st to 2nd shift periodically
- Following written and verbal instruction
- Familiarity with machining centers, metrology tools
- Experience following written work instructions and blueprints
- Able to work in a team environment, including being cross-trained for multiple work assignments

Thank you for taking your time to review my application.

Sincerely,

Corey Krajcik
