

Machine Operators Cover Letter

969 Treutel RoadLake Erwinland, MD 48191

Dear Dylan Howe,

I am excited to be applying for the position of machine operators. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for strategic and functional oversight in a machine shop operation environment for tasking including CNC milling, manual and programmable lathe operations, sheet metal fabrication, welding, composite fabrication, soft goods, and precision cleaning.

My experience is an excellent fit for the list of requirements in this job:

- Follows all safety guidelines and company procedures
- Visually inspect quality of product
- Use hand held tools and measuring devices
- Willingness to work in a Team structure
- Injection Mold Machine Operation
- Able to Perform Set Ups
- Submit to drug/criminal background
- Oak Creek -Port Washington

I really appreciate you taking the time to review my application for the position of machine operators.

Sincerely,

Armani Block
