

Mainframe Support Cover Letter

9153 O'Reilly Creek West Mel, ID 52807

Dear Sutton Hermann,

Please consider me for the mainframe support opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for I3 application support for programs on a financial services IBM Z/OS Mainframe.

Please consider my qualifications and experience:

- Knowledge of CA & BMC tooling
- In depth knowledge of RACF Security Management Software
- Knowledge and understanding of Security Management and used tooling in an IBM z/Series environment
- Programming knowledge of REXX, JCL, TSO, ISPF
- Knowledge of Scheduler tooling TWS and CA
- Participate in design reviews of new projects, works hand in hand with the support lead/ technical lead and own responsibility of the work being assigned
- Perform analysis and delivery of periodic changes to production systems to improve efficiency
- Assist with testing activities and provide Documentation for testing activities

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Haven White
