

Maintenance Painter Cover Letter

597 Guadalupe Curve
Chesterfurt, CA 29210-9403

Dear Ari Stehr,

I submit this application to express my sincere interest in the maintenance painter position.

Previously, I was responsible for advice, conduct research, assist in development of reporting materials, deliver presentations, ensure that all programs and services comply with university, state and federal regulations.

Please consider my qualifications and experience:

- Experienced painter
- Experience in the painting trade preferred
- Trades papers in painting/decorating a strong asset
- WHMIS & OSHA certified
- To complete work order and PPMs/CWAs as directed
- To advise supervisory colleagues promptly of any difficulties, problems or failures
- Be familiar with comply with all relevant Engineering Department Policies, processes and procedures
- Knowledge of the use and application of wall coverings (wall paper, vinyl coverings)

I really appreciate you taking the time to review my application for the position of maintenance painter.

Sincerely,

Dakota Littel
