

# Maintenance Painter Cover Letter

339 Rodger Creek Steuberview, ID 83641

**Dear Skyler Moen,**

Please consider me for the maintenance painter opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for technical coaching to other maintenance or operations aligned roles in execution of the work processes used by Olin.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledge of all tools and equipment respective to job functions
- Computer basic mathematical calculations (add, subtract, multiply and divide numbers in processing charges.)
- Previous painting experience in industrial type settings is preferred
- Demonstrated high quality output using the latest painting tools and technology available
- Quality minded with a high attention to detail
- Familiar with procedures and regulations pertaining to Hazardous Materials and Right to Know Law
- Work involves exposure to dust, dirt, noise, some chemical solutions/solvents/odors, and adverse weather conditions
- Working knowledge of painting techniques and practices

**Thank you for considering me to become a member of your team.**

Sincerely,

River Spencer
